EDUCATIONAL ADMINISTRATION RECEIVES \$204,500 GRANT

The Department of Educational Administration has received a grant of \$204,500 from the W. K. Kellogg Foundation.

The grant will assist in the development of a program in community college administration and will cover a period of almost five years, from November 1, 1969 to June 30, 1974.

The program will have two main objectives, according to G. L. MOWAT, Chairman of the Department. It will accelerate the preparation and in-service education of college administrators and will participate actively in the development of a distinctive concept of the community college. Hopefully, it will focus public attention on that institution, giving it increased status among post-secondary institutions. FRANCIS S. THIEMANN, Associate Professor of Educational Administration, also has been instrumental in eloping the program.

Dr. Mowat explained that the community college is intended to fill the educational gap not presently served by public schools and universities. He defined the college as an institution which serves people who cannot, need not, or wish not to attend universities, and for whom public schools are inappropriate. Such an institution would admit anyone who had obtained a high school diploma or is eighteen years of age or older.

In connection with the program, the department will establish working relationships with other institutions for exchange of staff and students, co-operation in research and developmental activities, and the dissemination of resource and training materials.

FUND DEVELOPMENT OFFICE ESTABLISHED

The Board of Governors has announced the establishment of a Fund Development Office to carry forward work relating to the Three Alberta Universities Campaign. It also will seek additional non-governmental sources of financial support, such as Foundation giving, Alumni giving, and requests, for the operating and capital needs of the three universities. The office will work in close co-operation with the Public Relations Office and the Alumni Secretary.

The playing of the sitar ushered in the New Year for many members of the campus Hindu Society at Deepawali, the "Festival of Lights," on November 9.

LORNE MAC PHERSON, Assistant Director in the 3AU Campaign responsible for the Edmonton region, has been appointed Fund Development Officer as of November 1. A graduate of the University of Saskatchewan and experienced in fund raising in the United States, he was Assistant to the Director of Development at the University of Saskatchewan and, more recently, an associate of the fund raising consulting firm retained by the 3AU Capital Fund.

FALL CONVOCATION

More than 1,000 students will be granted their degrees at Fall Convocation, about half *in absentia*. Convocation will be held Saturday, November 22, at 2 p.m. in the Northern Alberta Jubilee Auditorium.

Three honorary Doctor of Laws degrees also will be presented, to H. LOVAT DICKSON,

writer and former Director of Macmillan and Company, MARY BOWLEN MOONEY, an active supporter of the theatre in Canada and former first lady of the province, and J. WARD-PERKINS, archaeologist and Director of the British School in Rome.

Also, the Alumni Golden Jubilee Award will be conferred upon WALTER H. JOHNS, Professor of Classics and recently retired President of the University. The Award is presented to persons who have contributed either directly or indirectly to the welfare of the University, and in the past has been granted to E. C. MANNING, former premier of Alberta, Senator DONALD CAMERON, and JOHN E. BRADLEY, Chairman of the Board of Governors.

Faculty, students, alumni and the public are invited, and tickets may be obtained from the Registrar's Office.
